VPI's Metallic Rubber Wall Base offers a range of great looking and unique design options. Not only does VPI's Metallic Rubber Wall Base enhance any environment, but the 5 year warranty assures the very highest level of performance. Additionally, being constructed of TP rubber ensures that flexibility and ease of install is never compromised despite the metallic appearance. When you want a product with a level of quality that assures your creative vision will last a lifetime—whether installed in an office, conference room, classroom or hallway—choose VPI Metallic Rubber Wall Base. VPI's Metallic Wall Base has superb flexibility, scratch and scuff resistance, and meets or exceeds the most stringent specifications in the industry. Add in the superior performance properties that are required by designers and installers, and see why VPI's Metallic Rubber Wall Base products can meet virtually any challenge.

surfacing everywhere®

Features

- No lead or heavy metals
- Ribbed back design for more secure adhesion
- Porous backing allows quicker, better adhesion
- UV resistance won't fade like some other products on the market
- Tougher surface finishes looks better longer because of thicker, denser pigmentation
- Superior flexibility; our Metallic Wall Base is quick and easy to install
- Unlike other brands, our outside corners are guaranteed to match every time
- Micro-Squared™ "up" cuts minimize joint visibility
- No color drift/no dye lots so you'll enjoy stable color consistency over time, especially important when installing preformed outside corners
- Consistent height and toe dimensions assures premium and professional appearance
- Reinforced cove for greater durability in the toughest applications
- Compliance with ASTM standards for flame spread (ASTM E84), smoke density and development (ASTM E662), critical radiant flux (ASTM E648), and hardness, dimensional stability and chemical resistance (ASTM F1861)

Rubber (TPR)

- 1/8" Gauge Rubber
- Available in Rolls (4" x 1/8" x 120')
- Cove

Performance Properties and Specifications
